## Explore Your Exclusive Resources After Your Alumnae Membership is Activated

### Accessing and Using the HERS Alumnae Directory

**To access the HERS Alumnae directory, go back to your main profile page by hovering over the icon of the person in the top right-hand corner and clicking 'Profile' from the dropdown**

- To access the HERS Alumnae Directory – click on HERS Alumnae Directory in the left navigation. To view the results, you will need to have Joined the HERS Network.
- Once the list populates, you can use the search bar to narrow your search. Searchable fields include: Name, Institute location, Institute year, City, State, and School. You can also select Institute location by clicking on the box associated with the location in the left column.
- If you would like to contact the alumna, click on her name and then the Contact Me button.

## Using Groups

**To join one of the groups that are either open to you or that you have exclusive access to, follow the steps below:**

- Click on Groups in the upper right of the screen to be brought to the Groups landing page
- On the Groups landing page, in the 'My Groups' dropdown menu, select Active Groups
- Select or search for your HERS Leadership Institute cohort group. These groups are organized by year, month, and location – so we suggest you search for the year you attended/graduated, then select the group that best fits your attendance.
- Once you have found your Leadership Institute cohort group, click on the group name and then click the Ask to Join button. You will be notified when you have been added to the group.

## Being Active in Your Groups

Once you are a member of the group, you can pose questions to the group, share announcements and good news, or even add a file for other group members to access. The Groups are closed membership, so anything posted within the group, including discussions and files, are accessible to only that group's members and are not searchable. You can also manage how frequently you will receive notifications of group activities. Your choices include: every post, daily, weekly, or limited (which will turn off email notifications).

## Resources

Various resources are available to you by clicking on the Resources tab in the top navigation. Resources will be added to the list as we continue to make the HERS Network your go-to place for leadership resources and support.

## Events

Upcoming HERS program offerings are found in the Events tab in the top navigation. If you have navigated to Events by way of a link in an email, please ensure you have logged in to the HERS Network before completing your registration to ensure you receive the HERS Alumnae pricing.

## My Profile

When you are on your My Profile page, you can update your contact information, view your membership subscription, submit a job posting (for future use), save payment methods (HERS does not have access to payment information and the information is encrypted), view your orders and membership badges, and access the HERS Alumnae Directory.

## Coming Soon

Over the next several weeks, we will continue to add to the HERS Network platform. Future additions include:

- Job Board – the place to find your next role or find your next colleague
- More Events – additional opportunities for leadership and career development
- More Resources – such as research, articles, and exclusive HERS learning materials
